

1 Quality Policy – (MS07)

ISO 9001:2008

Caswell Environmental Services Ltd. recognises that the disciplines of quality, health & safety and environmental management are an integral part of its management function. CES views these as primary responsibilities and as keys to good business in adopting appropriate quality standards.

The CES quality policy calls for continuous improvement in its quality management activities, and business will be conducted according to the following principals.

CES will:

- Comply with all applicable laws and regulations.
- Ensure Health & Safety to employees and others is maintained at the highest levels.
- Keep up to date with legislation and guidance.
- Provide an effective and efficient service.
- Follow a concept of continuous improvement and make best use of our management resources in all quality matters.
- Communicate our quality objectives and performance against these objectives throughout CES and to interested parties.
- Take due care to ensure that activities are safe for employees, customers, suppliers and any others who come into contact with our work.
- Work closely with our customers and suppliers to establish the highest quality standards.
- Adopt a forward-looking view on future business decisions that may affect quality.
- Advise our staff in the needs and responsibilities of quality management.

It is the aim of Caswell Environmental Services Ltd. that with the total involvement of all staff through the implementation and ongoing development of a documented Quality Management System meeting the ISO 9001:2008 standard we will exceed the expectations of our customers, staff and stakeholders.
